Letter No 133/41-42/Epc 2 dated 11-2-42 from the Chairman Mysore State Literacy Council Mysore to the President Town Municipal Council Mandya

The Government have recently constituted a central committee the Mysore State Literacy Council to coordinate the efforts of individuals and organisations doing literacy work in various parts of the State and at the same time to organise a literacy campaign throughout the State. I am writing this on behalf of the council to request you to start the work in Mandya.

You know that in Mandya Town out of a population of 11272 only 4346 are literate. In view of the growing importance of the town as an industrial centre it is urgently necessary that the entire population should become literate. Again as the latest census figure shows only 12.3 per cent of our seventy three lakhs are literate. It is no credit to our country that this state of affairs should continue. I am sure you agree with me that every town and village should endeavour to raise this figure before the next census. I am earnestly appealing to your council to consider this seriously and make removal of illiteracy a part of the Municipal Council activities this year and in coming years.

Mr S V Srinivasa Rao the organising Secretary of the Council when at Mandya spoke to the Deputy Commissioner the Vice President and Members of the Municipal Council. I am glad to know that you and the council are as keen on the work as we ourselves.

I am enclosing with this a brief report of the work done so far along with a description of the scheme for your perusal. I shall be very thankful to you if you place the scheme before the council for its consideration and sanction a generous grant for this activity in this year's budget. I may bring to your notice in this connection that the Davanagere Municipal Council has recently sanctioned a sum of Rs 300/- for immediately taking up the work in Davanagere town with the promise of granting Rs 300/- more as the work progresses. The Mysore Municipal Council has granted Rs 500/- with a promise of grant of Rs 500/- more at the end of the year for undertaking the work in the city. The Government through the State Literacy Council supplements the grants made by the Municipal Councils and entrusts the work or elect a few members of the Municipal Council to serve on the Committee and guide its activities.

Letter No O C 319/41-42 dated 28-2-42 from the President Town Municipal Council Mandya to the Deputy Commissioner Mandya
